CERTIFICATE OF REGISTRATION

This is to certify that

Sharp IT Services (UK) Limited

Oakingham House
Frederick Place
High Wycombe
Bucks
HP11 1JU

has been audited and found to meet the requirements of standard
ISO/IEC 27001:2022 Information Security Management System

Scope of certification

The protection of all information and data assets used to support the delivery of all Sharp IT Services (UK) Ltd services and activities. The assets protected are physical locations, hard-copy data, electronic data, policies and procedures, software and licenses, access to SaaS cloud services and physical I.T. hardware. The boundaries of the Information Security Management System are the physical locations, authorised mobile workers and the endpoints of the corporate network. Supporting technology includes server platforms, approved applications, network devices and corporate networks within the control of SITUK. This is in accordance with Statement of Applicability V2.0

Vicki Howlett
